Dear Sirs:

Please provide me a telephone number at which I could contact you. I have been unsuccessfully trying to call you at numbers 571-272-4993 and 703-308-0861. I am interested in the status of my application N10/644,618 filing date 01/05/2004. I have sent you a new package of documents with changed claims. Will my documentation be reviewed again with the new claims being taken into account, and when will you be able to inform me of that?

Sincerely, Anatoliy Rudenko
